Luxury Accommodation – 84 suites and 2 villas

Ranging in size from 700 to 5,066 sq.ft, the resort's 86 beautifully appointed suites & villas are located within the main hotel building or arranged in individual clusters of four to six suites, generously spaced out around the clifftop to maximise privacy and uninterrupted views over the mountains and down into the gorges. The suites of this resort in Oman surround guests in contemporary style, laced with an authentic flavour of the destination in décor that celebrates Oman's rich history and culture. Earthy tones of wood and stone are accented with rugs and furnishings in bold yet warm hues, while the leaves of the juniper tree, hand-painted on a wall in every suite by a local artist, bring an element of nature indoors. A beautiful finishing touch to these charming oases of comfort and elegance.
